

Primary School Courses 2018 - 2019

We offer a number of different courses designed for Primary schools:

- 5-day courses (*Discover*, *Explore* and the *John Muir Award*), each focused on specific learning outcomes
- 3 Day Courses (*Discover* and *Explore*) now available in low and mid-season
- Weekend courses including a range of outdoor adventure activities
- Bespoke courses customised to meet specific requirements

All of our courses use challenging outdoor activities in the beautiful natural setting of the Lake District National Park World Heritage Site, as a vehicle for learning and development. We help pupils to develop awareness of and respect for themselves, other people and the natural environment.

5-day courses

5-day courses normally run from 11.30 am on Monday to 1.30 pm on Friday.

The *Discover* course is aimed particularly at young pupils, in Years 4 or 5, as an introductory residential experience. They will enjoy new experiences, explore the natural environment, take first steps to independence and gain personal confidence.

The *Explore* course is ideal for pupils in Years 5 or 6. During an *Explore* course they will develop self-awareness and social skills; increase personal confidence through successfully meeting new challenges; develop personal responsibility; develop cooperation, trust and support in a team; experience awe and wonder at the natural world; understand the importance of a healthy lifestyle.

The *John Muir Award* is a national environmental award scheme focused on wild places. It encourages awareness and responsibility for the natural environment, in a spirit of fun, adventure and exploration. It has four essential elements: discovering a wild place; exploring its wildness; conserving by taking personal responsibility; sharing experiences.

We understand that when making a booking organisers may not be aware of their final numbers. To support you in this process we will forward a price and contract based on the numbers you intend to bring. If there is additional demand for places please contact us and we will try to accommodate your needs.

Visiting Staff

We provide one free staff place per group.

Whenever practically possible we encourage schools to bring a floating member of staff who would normally be the Visit Leader:

- 1 Group: 2 Accompanying Staff
- 2 Groups: 3 Accompanying Staff
- 3 Groups: 4 Accompanying Staff

An accommodation charge is made for additional staff. Please enquire for prices.

Prices for custom courses and for courses requiring us to provide a higher staff ratio can be quoted on request.

Group size

We allocate activity groups to your course on a ratio of 1 Tutor: 12 Participants. Where additional Derwent Hill staff are required to meet the specific needs of the group an additional charge will be made.

Exclusive booking

Our maximum capacity is 72 pupils and 9 accompanying staff. If you have a minimum of 62 pupils, you can make an Exclusive booking and have sole use of the Education Centre. If you have fewer than 62 pupils, you can make an Independent booking or a Joint booking with another school.

Independent booking

An Independent booking means that your pupils take part in their course separately from any other school in the Centre, but share facilities with them.

Joint booking

A Joint booking means that two or more schools get together to make a booking to optimise numbers and costs. Normally, pupils from the different schools will not share dormitories, but occasionally it is necessary for one or two rooms to be shared.

If there are at least 62 pupils between the schools, you will have the Centre to yourselves and can bring up to 71 pupils or 72 if there is an even gender split.
